

# The Scottie Scoop

Week of October 10th

## SPOTLIGHT ON SCOTTIE LEARNING

### Reading

This week we are celebrating the end of the first grading period by choosing a favorite book and making a poster about it! I can't wait to see the final product!

### Writing

This week we will finish our FINAL COPY! It is so exciting to see the kids excited about writing. I will be choosing some to put into our own classroom library! Happy Writing!

### Math

We will be reviewing for the 1st half of the week. During the 2nd part of the week, we will be focused on subtraction strategies.

### Science

We are continuing our unit on force and push and pull. Friday is Bubble Day!!

### Social Studies

This week we will review all we learned in Social Studies: Good Citizen, Maps, and Communities. We will show what we know by making a tree map.

## *The Teachers' Scoop*

Are you ready for Bubble Day? It's finally here! Some reminders for Friday:

-Please send your child with a towel and a bubble wand (homemade or store bought)

Also, no homework this week! Students have 2 tests and we want them to have plenty of time to study for both.

Picture day is this Thursday, and end of the first grading period is this Friday.

When you are reading at home with your child, make sure you are asking them questions about the book. We want them to start talking about text to better understand it. This will help them in all subjects!

We are so lucky to have such awesome kiddos! They keep impressing us each day. Don't forget to follow us on Twitter - @YanceyLoves2nd and @amber\_e\_noble to see awesome pictures of your kids at work! Have a great week!
