

# The Scottie Scoop

Week of October 17th

## SPOTLIGHT ON SCOTTIE LEARNING

### Reading

This week we will look at the difference between fiction and nonfiction books. Your child will need to read a title and determine if it is fiction or nonfiction.

### Writing

We will start our unit on writing stories. These stories can be about ourselves or made up characters. We will use graphic organizers to plan out the story before we write our draft.

### Math

This week we will be applying addition strategies to double digit addition with regrouping.

### Science

We will be continue our study of forces and use magnets to demonstrate types of movement.

### Social Studies

This week we will learn the significance of various community, state, and national celebrations such as Veterans Day, Memorial Day, Independence Day, and Thanksgiving.

## *The Teachers' Scoop*

Wow! Bubble Day was a hit! The students AND teachers had such a fun time! Thank you again to everyone who donated and a big shout out to Mrs. Ostermann and Mrs. Bernal who came out to help with the human bubble!

Homework will start back up this week so be sure to check your child's planner each day. Get on Benchmark Universe to see the assigned book and complete two activities from the menu to go along with the book.

It is the start of a new grading period. Be on the lookout for the report card coming home. We are so proud of our Smartie Scotties! If you have any questions let us know.

Have a wonderful week!
