

The Scottie Scoop

Week of August 22

SPOTLIGHT ON SCOTTIE LEARNING

Reading

We will be learning all about the procedures for Readers Workshop! We will be reading the book "Chysanthemum" and making text to self connections. Your Scottie will learn the importance of reading everyday!

Writing

We will be learning procedures for Writing Workshop and generating ideas for small moment stories. At home, point out events your child could write about.

Math

We will learn the expectations for Guided Math and exploring numbers and their place value.

Science

We will be conducting experiments to practice science safety...just like a real scientist!

Social Studies

We are going to discuss what it means being part of a community and how communities need to work together to better their environment.

The Teachers' Scoop

What an amazing adventure we are beginning in 2nd grade! We are so excited and honored to be your child's teachers this year! Please know you can contact us at anytime, and we will get back to you as soon as possible!

A few housekeeping rules to keep in mind as we start this new year in 2nd grade:

- * Make sure your child knows how they are getting home each day. If a change is needed for transportation, please send a note that morning and email the homeroom teacher.
- * Check our websites weekly for important information.
- * Make sure to stop by the Book Fair this week! We want your 2nd grader reading everyday!

We are so happy to be part of you and your child's life this year! We hope you are glad to be PLAID!
