

The Scottie Scoop

Week of August 29

SPOTLIGHT ON SCOTTIE LEARNING

Reading

We will be setting up our Readers Notebook! During our Daily 5, your child will be writing about their reading using sticky notes.

Writing

We will be using our ideas from last week to start our personal narratives, stories about ourselves! We will be focusing on how to spell the best we can then move on.

Math

This week we will be starting our study of place value. Talk with your child about numbers and their value. Work with them to add and subtract groups of tens and ones (Example: 5 groups of ten plus 2 ones= 52).

Science

Solids, liquids, and gas...OH MY! We will begin learning about states of matter. This week we will be creating physical and chemical changes to all states!

Social Studies

We will continue to discuss what it means to be a good citizen in our community. This week we will focus on our neighborhood and how each neighborhood is different and alike!

The Teachers' Scoop

The Yancey/ Noble crew is AMAZING! Thank you for sharing your sweet kiddos with us!

Please make sure you have turned in all forms to your homeroom teacher immediately.

Continue to check websites each week for news and information.

Agendas will be coming home, Monday, August 29, 2016. Please stress with your child the importance of checking their agenda each night for their homework. Official homework will not begin until after Open House on Sept. 20th.

Also, Class Dojo letters will be sent home with agendas on Monday. We encourage you to download the app and keep up with the great work your child is doing each day.

Lastly, practice your child's lunch number with them each night with the key pad paper that will also come home on Monday.
