

The Scottie Scoop

Week of September 26th

SPOTLIGHT ON SCOTTIE LEARNING

Reading

This week we will be reviewing all of our comprehension strategies we have learned before our end of the grading period test on October 6. These topics include predicting, visualizing, making connections, and inferencing.

Writing

We will continue to draft stories using our timeline. In the next couple of weeks your child will pick one story to revise, edit, and publish! I can't wait to see their final copy.

Math

This week we will be focusing on number lines. We will dive into placement of numbers on the number line and use the number line to help us add and subtract.

Science

Children will continue to focus on forms of energy. We will be exploring with sources of each in the science lab this week.

Social Studies

We will be discussing where we live. We will look at maps of the United States and state map of Texas.

The Teachers' Scoop

It was so wonderful seeing everyone at our first annual Scottie Social! Wow! What a great turn out with tons of fun! Thank you to our PTO for their hard work and commitment!

There are some exciting things happening this week as well! Add these events to your calendar...

- Spirit Night at Chick-Fil-A on Wednesday. Mrs. Yancey and Mrs. Noble will be there at 5:00 to see their Scotties!
- Donuts with Dad on Thursday at 7:20. Dads and grandpa's please come enjoy breakfast with your child.

Bubble Day is fast approaching! Please send in any donations by October 12th. They are so appreciated!

Lastly, thank you for sharing your amazing children with us. We are so lucky to be part of their world!
