

# The Scottie Scoop

Week of November 7th

## SPOTLIGHT ON SCOTTIE LEARNING

### Reading

We will continue looking at fiction stories and characteristics of them. We will also continue our work using SURF strategies with fiction stories.

### Writing

We will continue to work on our fiction story drafts. We will go through the writing process and start editing and producing our final product.

### Math

This week we will be reviewing all we have learned in preparation for our District Benchmark Assessment.

### Science

We are still working on force! This week we will learn more about gravity and mass.

### Social Studies

This week we will review celebrations, landmarks, and elected officials for a test over what we have learned. We will also wrap up our classroom president election.

## *The Teachers' Scoop*

WOW! What a great week of learning and hard work. We are so proud of our Scotties being learners leading and showing dedicated discipline on their math and reading test.

Reminder, there will be no school on Tuesday due to Election Day. Talk to your child about the election going on in their Social Studies class with Mrs. Yancey!

In math this week, our Scotties will get to show what they know on their first Benchmark Assessment. This test is given to all second graders in Klein. Make sure you send your child rested and with a full tummy on Thursday, ready to their personal best. They are ready and Mrs. Noble knows they will ROCK this test!

Mahaffey's clubs are teaming up for our 1st annual Thanksgiving food drive. Second grade is in charge of bringing grains. Please encourage your Scottie to donate and give back. The winning grade level gets extra recess.

Have a fantastic week!
